Gentlemen:

Enclosed is Amended Order No. DE 91-N169. All correspondence relating to this document should be directed to the Enforcement Coordinator. If you have any questions concerning the content of the document, please call Robert Newman, telephone (206) 649-7000.

This Order is issued under the provisions of RCW 90.48.120. Any person feeling aggrieved by this Order may obtain review thereof by application, within 30 days or receipt of this Order, to the Washington Pollution Control Hearings Board, Mail Stop PY-21, Olympia, Washington 98504-8921. Concurrently, a copy of the application must be sent to the Department of Ecology, Mail Stop PV-11, Olympia, Washington 98504-8711. These procedures are consistent with the provisions of Chapter 43.21B RCW and the rules and regulations adopted thereunder.

Sincerely,

*Mary A. Kautz*

DEPARTMENT OF ECOLOGY

IN THE MATTER OF THE REQUEST BY )  
Ash Grove Cement )  
for a Temporary Modification of )  
Water Quality Standards )

ORDER  
No. DE 91-N169  
(First Amendment)

TO: Baugh Industrial  
Ash Grove Cement Plant  
900 Poplar Place S.  
Post Office Box C-14135  
Seattle, WA 98114

Order No. DE 91-N169, dated May 28, 1991, is hereby amended as follows:

The time limitation period for dewatering shall be extended to August 30, 1991.

No other condition or requirement of this Order is affected by this amendment.

The department retains continuing jurisdiction to make modifications hereto through supplemental order, if it appears necessary to further protect the public interest during the modification period.

Any person who fails to comply with any provision of this Order shall be liable for a penalty of up to ten thousand dollars for each day of continuing noncompliance.

Or, in lieu of the above, any person feeling aggrieved by this Order may obtain review thereof by application, within thirty (30) days of receipt of this Order, to the Washington Pollution control Hearings Board, Mail Stop PY-21, Olympia, Washington 98504-8921. Concurrently, a copy of the application must be sent to the Department of Ecology, Mail Stop PV-11, Olympia, Washington 98504-8711. These procedures are consistent with the provisions of Chapter 43.21B RCW and the rules and regulations adopted thereunder.
